8. LEGAL INFORMATION

As an applicant for an AmeriCorps position, I, _____

consent to a national service criminal history check for my program placement consisting of:

- Maryland State Police Criminal Registry Check
- FBI Fingerprint Criminal History Check
- Home State Criminal Registry Check (if applicant resides outside of MD at time of application) **If an out of state applicant, please fill in the name of the home state.**

As an applicant for an AmeriCorps member position with Volunteer Maryland, I understand and acknowledge that my acceptance as an AmeriCorps member is subject to the positive and/or negative results of each of the above checked National Service criminal history elements. I understand and acknowledge that my refusal to consent to the above checks makes me ineligible to serve. I understand and acknowledge that anyone listed or required to be listed on a sex offender registry is ineligible to serve. I understand and acknowledge that anyone convicted of murder is ineligible to serve. I understand and acknowledge that my failure to disclose or my lying about any convictions prior to the checks being conducted is grounds for making me ineligible to serve.

Furthermore, I understand and acknowledge that National Service Criminal History Checks are only one element of the application screening process for an AmeriCorps position and that positive results for all National Service Criminal History Checks do not guarantee that I will be placed as an AmeriCorps member.

If Volunteer Maryland's review of the background checks reveals information that it determines should prevent my selection into the program, I understand that Volunteer Maryland will advise me of its proposed determination and will provide me a copy of the information it has received (to the extent permitted by law). Volunteer Maryland will allow me the opportunity to challenge the factual accuracy of the information, in writing, within five (5) business days of its notifying me of its proposed determination. I also understand that at that time I may also provide any other written information that I believe will assist Volunteer Maryland in its review.

I understand that if placed as an AmeriCorps member with recurring access to vulnerable populations, I am not permitted to have unsupervised access to children, persons age 60 and older, or individuals with disabilities while waiting for the results of my state criminal registry check(s) and/or my FBI Fingerprint criminal history check.

With my signature I verify my understanding of all of the above statements and give my consent to a National Service Criminal History Check as described above.

In addition, I hereby declare and affirm under the penalties of Perjury, that I (*select one*)

HAVE NOT been convicted, received a probation before judgment, received a non criminally responsible disposition, and **AM NOT** the subject of pending criminal charges. I further declare and affirm I am the above named person making this statement.
